Dear Patient,

Out-of-Area Patient Registration Agreement

As a new patient outside The Park Medical Centre's local catchment area, you acknowledge and agree to the following conditions:

1. Face-to-Face Appointments – You must travel to the surgery for all in-person consultations, including GP and Nurse appointments, Chronic Disease reviews, immunisations, and Cervical Screening.
2. Communication & Attendance – Failure to respond to messages, invites, or appointments may result in removal from our practice list, requiring you to register at a practice closer to your address.
3. Home Visit Requests – Our clinicians only accommodate home visits for patients within the local area. If you become housebound in the future, you must register with a practice nearer to your residence.
4. Appointments for Children – If you have children, you must ensure they attend all appointments and respond to all invites.
